

COMPLETE MAILING SERVICE

No time to do mailing jobs yourself or you do not want to take staff away from treating patients? The Onondaga County Medical Society can help you with announcing changes in your practice, i. e. a new physician joining your practice, moving your office, opening a second location or you want to let your colleagues know about new services offered at your practice.

Service Features	Benefits to Member
OCMS takes care of printing, stuffing, addressing envelopes, and mailing	Hassle free, efficient, and cost effective mailing services
Mailing addresses revised daily (over 1600 local physicians)	Ensures accurate data
Several printing options to choose from	Eliminates paying for nonessential information
Can print labels or mail to members by specialty	Allows you to target specific markets
Professional mail service to sort and bar code each piece of mail	Eliminates having to keep up with ever changing postal regulations
Deliver your mailing direct to the main post office	Eliminates taking time away from your office

All services quoted are plus postage and \$15.00 / hour labor.
